

BMFAS.E. Area Spring scale flyin

The BMFA SE Area in conjunction with Epsom Radio Flying Club will be holding a **Scale fixed wing fly in** on Sunday 10th June 2018 in the area of Horley, Surrey.

Open from 10:00, pilots briefing at 10:45, flying from 11:00 to 18:00.

Large models and Turbines up to 20Kg welcome. The field has a grass strip 92 metres x 12 metres and has a good flat surface. Tail restraints or secure restraint required.

Pilots must be BMFA members and if not holding at least an "A" test will need to fly under supervision. Turbines and models over 7Kg require the pilot to hold a "B" test.

There will be ample car parking, BBQ, Marquees and a toilet available.

Send an email secretary@southeast.bmfa.org to register your models. Please include your BMFA number to receive directions to the flying field.
